

Dear Business Owner,

As we strive to make our community stronger, we invite you to join us in helping us to develop resources and support initiatives that address local needs and support the Greater Brandon community.

The Brandon Foundation will be presenting An Evening of Hope...A Parisian Experience, on November 3, 2017 at The Regent, in Riverview. We anticipate an attendance of 300-400 supporters for this annual signature event.

Since its inception, the Greater Brandon Community Foundation has brought together corporate and small business leaders, along with individual leaders within the community to develop successful solutions and programs to meet local needs. Through innovative initiatives and annual fundraising programs, we continue to partner with over 80 registered charities and have distributed over \$2M in grants to local charities and services to families in the Greater Brandon Community.

How Can I Help?

We need your support and ask if you can help us by donating an item for our silent auction. Your donations enable us to raise funds that support our Angel Program and charitable organizations in our community. All donations are greatly appreciated and are tax deductible (Tax ID:90-0073721).

A contribution form for your silent auction donation is attached. Thank you for your consideration of our request to help our community.

Cordially,

The Brandon Foundation Event Committee

The Brandon Foundation is a non-profit, 501(c)3 organization. Founded in 2003, our mission is to improve the quality of life and shape the future of our community by creating public awareness, developing resources and supporting initiatives to address local needs.
